July 31–August 1, 2006
Sheraton Seattle Hotel
1400 Sixth Avenue
Seattle, WA 98101
888.627.7056 (Reservations)

Purpose:

The Water Environment Federation and U.S. Environmental Protection Agency are co-sponsoring the last in a series of three planned 1 and 1/2 day public meetings on designated uses and use attainability analyses. The primary goals of this meeting are to help educate the public on current Water Quality Standards regulations, policy, and practices related to designated uses and use attainability analyses; and to provide a forum for the public to join in discussions, ask questions, and provide feedback.

Agenda and Logistics:

The public meeting will be held at the Sheraton Seattle Hotel in Seattle, Washington. A block of rooms has been reserved at this hotel for \$169 plus tax (15.6% or current at the time). When making room reservations, please use the phone number listed above, and reference the group name: "EPA Multi-Stakeholders Meeting." The cutoff date for the reserved block of rooms is **July 7, 2006**. Specific information regarding registration, the agenda, and logistics are available at <http://www.tetrattech-ffx.com/stakeholders/>. **Please Mark Your Calendar** and plan to attend this meeting.

Additionally, an optional introductory session on the basics of designated uses as they apply to water quality standards implementation is scheduled for Monday, July 31, 2006 from 9:30 a.m. to 12:00 noon. This session will cover designated uses, use attainability analyses, and alternatives to changing uses.
